3. Read the situations quickly and match them with the pictures. What are the teens doing?

1

Two people from my class always make fun of me because I always wear a cycle helmet when I'm cycling to school. The roads are quite busy so I think it's safer to always wear a helmet. I want to be safe, but they say it looks stupid. Normally I don't care what they say, but sometimes it hurts when they are mean.

Rachel, 14

2

I have a group of five really good friends. But my friend Diana is really annoying. She always criticises one of us - what we wear, what we say, what we're having for lunch - everything. Sometimes I talk to her about it, and she always apologises, but then she starts doing it again.

I usually hang around with my friends Max and Larry at break - we all love basketball. But now they smoke. They have a group of new friends who go to get cigarettes at break and smoke them behind the gym. We hardly ever play basketball now, and I feel like I'm losing my friends. Maybe I should start smoking too?

Jack, 14
