2. Read the first part of the article below. What is the **Fashion Trap**?

THE FASHION TRAP

Fashion is an industry that is changing all the time. What is 'in' now might be 'out' in a week's time. You can wear quality clothes for a long time, but clothes companies don't want this. They want you to regularly buy new clothes, and that's why they invent fashion trends. These are new styles that appear throughout the year and make you feel the need to buy new clothes.

Now read the rest of the article. Match a heading to each paragraph.

- a. Don't buy clothes which advertise themselves
- b. Be yourself
- c. Mind the environment
- d. Choose classic brands

BEING AUTHENTIC AND ORIGINAL

1. _____

Don't buy clothes from new brands. These clothes don't stay in fashion for long, so you will soon need to buy some more new clothes from newer brands. If brands are important to you, buy clothes that not only match your personality, but are also eco-friendly.

2. _____

When choosing your clothes, avoid items which have big printed words which advertise the company. If the company goes out of fashion, you will feel under pressure to stop wearing them, even if they are in good condition.

3. _____

Don't buy clothes just because everybody is wearing them. Instead, buy clothes that you really like. This can help you save a lot of money. Buy what you really need and concentrate on clothes that fit you and make you feel comfortable.

4. _____

Don't get clothes because you think they will make you look more interesting and attractive. Clothes don't define who you are. What really matters is what kind of person you are, so be authentic!

3. Complete the sentences with an adjective from exercise 1.

- a. My best friend bought a _____ suit for his prom.
- b. I usually wear _____ clothes when I'm relaxing at home.
- c. I run a lot, and prefer wearing _____ clothes.
- d. These jeans are really _____. I need a bigger pair.
- e. Those white shoes look great but they aren't _____ for going to the park!
- f. My mum works with politicians, so she has to wear _____ clothes at work.

4. Listen the fashion show and draw the 3 models according to the description of their characteristics.

5. In class we will carry out a fashion show, for this it is necessary that you consider the following:

1. Make up a group of maximum 5 people
2. Discuss ideas for creating a style (consider whether the style will be formal, sporty, classic, etc.)
3. Make a detailed description of 3 outfits and the inspiration for each one
4. Each group must have at least 1 model who wears the clothes and 1 rapporteur who makes the presentation.
